READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Quality Jacking Dear Virgin Territory,

I just wanted to send you a letter of appreciation for all you do. I've been a longtime reader of 18eighteen and Naughty Neighbors magazines, and you've consistently put out quality products throughout the years. I'm retired now, but I also used to work in the editorial department of a print publication. I know how hard it is to build a publication and how frustrating it is when readers criticize your work, not knowing the nuances and labor that go into producing a magazine. I am not one of those readers-because I have been in your shoes. I believe that you try your hardest to give us a good product.

Some of your best pictorials lately were in the Oct. '18 issue. Anastasia, Veronica and Alex all had excellent hardcore layouts. As you can probably tell, I have a thing for braces. Some girls who I'm looking forward to seeing in hardcore are Zoe, Emily and Jia. They're all such fine, young beauties! Historically, some of my favorite girls have been Ariel Rebel from Holiday '07, Rosie from June '05 and Sept. '06 (she has an amazing rack!) and Deni from Aug. '04 and Aug. '05. These are the girls I never forgot. I only wish I had more photos of them to enjoy. But with your magazine, there's never a shortage of beautiful girls to admire. Thank you for all the years of quality girls and content.-H.F., Rochester, New York

Dear H.F.,

We appreciate your comments. Zoe and Emily have hardcore sets coming up soon, but Jia only shot solo with us.

Creamy Riley

Dear Virgin Territory,

Riley is so hot and her hardcore pictorial from the Dec. '18 issue made me cum loads. Her pussy looks absolutely stretched by that fat cock. I also love the daughter fucks

dad's friend theme, which I noticed you've been doing more lately. It's a fun way for me to indulge a fantasy I've always had, which is fucking a pal or coworker's 18-year-old daughter. I've definitely jerked off to the idea of my friend's of-age daughter coming (and cumming) onto me. I would never act on this in reality-at least, I don't think I would. But if a girl as hot as Riley wanted to fuck me I don't think I could say no, regardless of who her dad was.

I really enjoyed Riley's layout. There were lots of great XXX photos of her. The pic of her getting her asshole licked on page 45 was a nice touch. I'd like to see more photos like that. I also like the photos of the cock in her face, as she looks absolutely dwarfed by that big piece of meat. Riley must've been turned on, as you can see her cum coating the guy's shaft in almost all of the insertion photos. I like seeing this. Sometimes the guy's cock looks so dry that I wonder if the girl is wet at all. You don't have to wonder with Riley. She's one of the best. Please tell me we'll be seeing more of her. She's simply too good to only have two appearances in your magazine.-R.R., Boston, Massachusetts

Emily Loves Sex

Dear Virgin Territory,

There were lots of cute girls in your Dec. '18 issue, but the one who really caught my eye was Emily. I was surprised to find this cutie hidden away in the back of the issue! She should be up front, in my opin-

ion. She has an adorable fresh face. Those big, brown eyes just pulled me in right from the start. And of course I couldn't wait to see that tight, little body out of her clothes. Petite girls like her are my favorite. Her perky, little tits, flat stomach and small ass turned me on so much. The way she was bent over on page 67 gave me all kinds of dirty ideas about pounding her from behind and sticking my finger in that pretty little starfish.

Emily has the great quality of looking fresh and innocent but still sexually playful. Her smile and body language give me the feeling that she really does like sex. She seems relaxed and open and happy to be showing off her body and her pussy. Sex must feel amazing for both her

and the lucky guys she fucks, considering how tight and tiny her pussy looks. I can't wait to see her in hard-core. Please tell me it will be soon!—F.T., Redding, California

Dear F.T.,

There is a hardcore pictorial of Emily coming soon. Keep your eyes peeled!

Jia's A Jewel

Dear Virgin Territory,

Jia is one of the finest girls you've ever featured. She is beautiful enough to be a mainstream model, but I'm glad she decided to do porn instead! It looks like she has almost no makeup on in her set, which is how I prefer the girls to be styled. I know not every girl can get away with that, which is just more evidence of how exceptional Jia is. Her long, natural red hair also makes her stand out from the rest. And finally, we get to see a girl with red pubes! I don't have much of a preference one way or the other when it comes to pubes. But if a girl is a real ginger, she should let that bush grow! It's

such a rare treat.

Jia's pussy looks pristine. I would stick my tongue deep in her pink honey-hole and lap up all her juices. And I only stick my tongue in for the nicest pussies. I'm sure Jia has one of the best tasting pussies in the world. I would love to make her cum with both my tongue and my cock. Now I've worked myself up thinking about Jia and need to take care of business. Hope to see more of this redheaded beauty.-T., via email

Dear T.,

There's a bonus photo of Jia on page seven to help you take care of business. And you can log onto 18eighteen.com if you'd like to see a solo video of her.

Vanna's Slated To Be A **Porn Princess**

Dear Virgin Territory,

I just got the Holiday '18 issue and I had to write to you right away. Vanna is so fucking sexy and really took this cover to the next level. Nude covergirls are always a winner, and Vanna has the perfect body for this. I also love the color combo and the fall theme. Vanna's pictorial blew me out of the water. She's a total fox who knows exactly how to make a guy hard with the way she poses and looks at the camera. If she sticks

around the scene for a while, she could be porn royalty.

I'm not sure if anyone else notices this, but I love her thong tanline. It highlights the curves of her body and makes me feel like I'm seeing her private area. Also, can you imagine seeing Vanna on the beach in a thong like that? I'd lose my shit. Please, please, please pair this girl with a huge cock who gives her the hard fucking she deserves.-K.D., Tacoma, Washington

Dear K.D.,

We did pair Vanna with a big cock, and she did get fucked hard inside a classroom. You'll be seeing this soon. 18

EDUCATION

Ass-stuffed schoolgirls get an A in anal!

Six horny teens don't care about math or literature. When are they ever going to have to use algebra outside the classroom? They'd much rather learn reallife skills, like how to take a big cock in the ass. That's a lesson that pays off immediately when they see how hard they cum from anal. Abby picks up assfucking skills right away, and Alice gets help from her sex tutor, Ms. Sasha.

Violet is turning into a young woman.

Only last year she was barely five feet tall, rail thin and still playing with dolls. Seemingly overnight she grew taller and curvier, and her interests shifted from dolls to boys. She hasn't completely stopped playing with toys, but now she prefers the kind that vibrate and make her pussy cum. "I was a late bloomer. While all the girls around me were experimenting with sex and growing boobs and butts, I was still in my own little world. And then I just started to get horny. Suddenly I was obsessed with boys and cocks. I caught up, except my boobs haven't got the memo [Laughs]."

"I guess it would be nice, but I don't think about it too much. Although my boobs haven't grown much, my ass sure has! I had to buy all new underwear and jeans because my booty got too big for them. Other girls might have boobs, but I've got the butt. It's my favorite feature on myself and I like to dress to show it off in tiny shorts, tight pants and really short skirts."

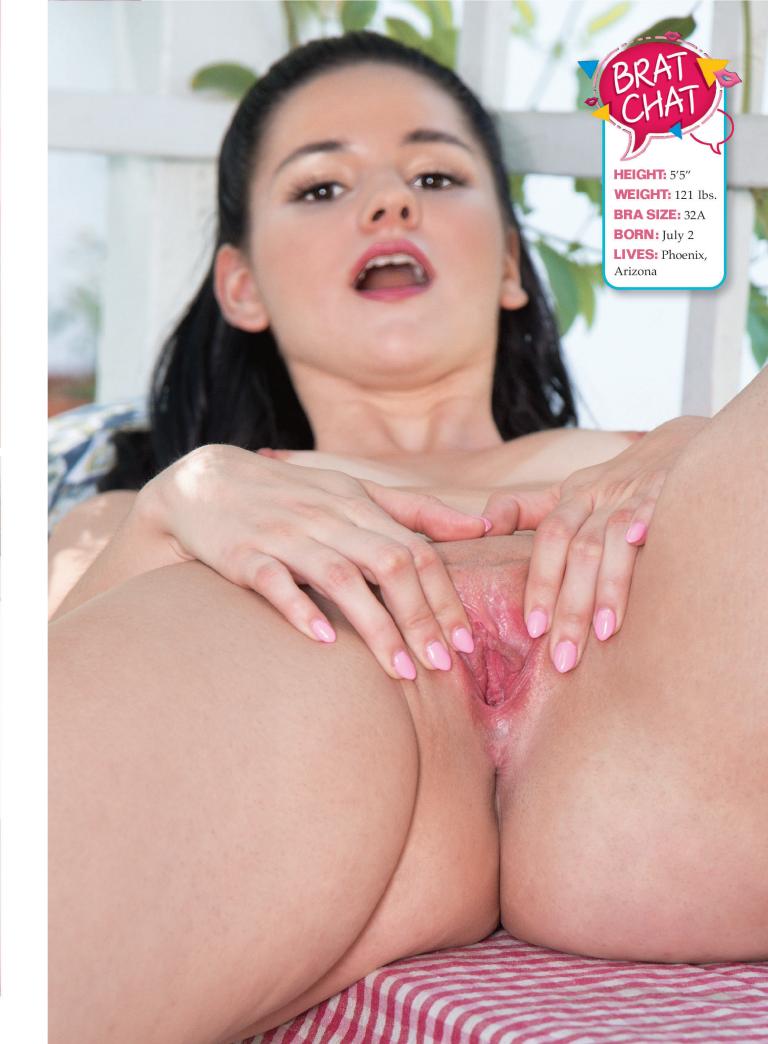

For these two besties, starting a band is about more than just playing music. It's also a way to fulfill their naughtiest fantasies. So they put two potential bandmates to the test during a...

By Frankie Campbell

My best friend Emily is super shy. But you want to know a secret? She's also a real pervert.

Hi. My name is Aislin, and I've known Emily since forever. After we graduated, we moved out and got a campus dorm room together. Being away from home was really nice—it let me explore sex and guys, and I was hoping that Emily would get to do that, too, you know? Live out some of her hotter ideas, maybe, since she'd only had a few experiences so far. But she was too shy to ever do it.

I was going to change all that. We're both really interested in music, so I suggested that we start a band. We called ourselves Mangled Playthings. It's a lot of fun–I'm the

Playthings. It's a lot of fun—I'm the singer, and she does lyrics and plays piano, and we both come up with the music. We're into symphonic metal, real opera-type stuff. Love it!

But another reason I wanted to start a band is because I thought it would be a good way for us to meet guys. Specifically, guys who would be into the kinky fantasies that Emily used to show me.

See, when we were in high school, Emily created a whole bunch of dirty fanfiction and poems. She would always share them with me, and I was always shocked at just how sexy they were! She's actually really talented—that's why she's in charge of lyrics for our songs. I'd tell her all the time how hot her fantasies made me, and she even knows I've gotten off to them. (She would get off, too!)

Now that we both turned 18, though, and we have our own private place for band practice (sort ofmy uncle lets us use the old workshop on his property), I wanted to see if we could meet some more open-minded guys who might be able to get Emily to open up.

I told Emily that I wanted to add some guys to our band and maybe put on a show or two at the college—they have a few places for live music and stuff. She was really nervous about it, so I promised her I'd interview each of the guys first before we brought them all over to play.

Of course, by *interview*, I meant that I'd fuck them. Sort of like a test. I wanted to make sure they'd be good for Emily. We posted about our band online, and some guys got in touch with us. I narrowed it down to two guys who seemed the most fun: Brandon and Nick.

Brandon plays guitar. He's a pretty tall guy with long, black hair and a gravelly voice. I asked him once how he first got interested in music, and he told me (he was a little embarrassed about it—so cute!) that he got really into Guitar Hero when he was a kid. The games are still a guilty pleasure for him. He's a junior at the same college we go to and only a couple years older than us.

Nick is a drummer who has some cool tattoos, like some Aztec-looking designs on his chest and arms. He dropped out of college last year to go back to working on cars, and apparently he makes pretty good money. (He said his family forced him to go in the first place.) I asked him about his musical inspiration, and he said that he likes the retro aesthetic, like Church of the Cosmic Skull.

Both the guys said they loved our

samples, and they were both good in bed, too. Nick seemed like he had slightly more experience (he's 24!), but they were both open-minded enough that they were interested in helping Emily fulfill one of her major fantasies: two guys at once. The hard

They were both openminded enough that they were interested in helping Emily fulfill one of her major fantasies: two guys at once.

part would be getting Emily to do it.

Or that's what I thought, anyway. But after I told her that I fucked both of them and that they wanted to meet her and play with her (in bed, too!), she was actually excited—nervous but excited. She said she would only feel safe enough to do it if I was there with her. Now it was my turn to be excited (and, honestly, a little jealous): I was going to get to watch my friend get fucked by two guys.

The weekend of the audition came sooner than I thought. The guys helped us move a couple of old couches into the workshop so we could hang out, and we ran through some of the new music that Emily had come up with. She was shy at first, barely even saying a word to either of them—turning bright red every time they even said her name—but she started to warm up to them after they complimented her lyrics.

It was late in the evening when I suggested we take a break. They were playing pretty good, I thought (thankfully, we can be as loud as we want out there at my uncle's place, which is kind of out of the way), but I said I wanted to know what they were really capable of. Brandon and Nick winked at me, and I pulled Emily to the side and let her know they were ready to go—if she was.

She liked both of the guys–she seemed really into them, actually, during their talk on music theory–but she was still tense. I said that it was okay, that we could just call it off and try again later. She didn't have to do anything. I wanted her to feel comfortable with everything. Then she shook her head, and I remember exactly what she said next.

"No," she said, and she let out a shaky breath. "I've been dreaming about stuff like this for a long time. It's time for me to start truly living."

I saw the look in her eyes, and I knew how serious she was about it.

"Okay," I said, "but if you want to stop at any point—"

She held up a hand and shook her head again. "I'm ready for this. I've never been more ready," she said. "I

They were playing pretty good, I thought, ... but I said I wanted to know what they were really capable of.

"Go for it," I said. "I want to see them give you a good, hard fucking."

got wet just talking to them."
"Yeah," I said. "I'm pretty sure they're into you, too."

"Are you going to be okay watching me . . . you know?"

I nodded my head. I was getting wet, too, just thinking about it. I knew what Brandon and Nick could do in bed (but not at the same time), so I was also starting to feel a little jealous again. "Go for it," I said. "I want to see them give you a good, hard fucking."

Hearing that said out loud made Emily blush, and she laughed.

"Thanks," she said sarcastically, rolling her eyes. But I could tell she really meant it.

We went back to the guys, and Emily said, a little hesitantly, "Aislin tells me you guys have something you want to show me."

"She told us all about your kinky fantasy," said Brandon. His voice was low and deep, and I knew from the way Emily leaned in toward him that she was ready for both of them. "We thought we'd make it happen."

Nick grinned. "Damn straight." He was already taking off his t-shirt and showing off his fit, tatted-up body. He wasn't ripped or anything, but he definitely worked out. It really does something for me, seeing a well-toned dude.

"I'll be right here," I said, sitting down on one of the couches and watching. I knew what was coming or I thought I did.

The guys stripped down to their bare asses. Brandon was a little bulkier than Nick because of how wide and tall he was, and he wasn't tanned, but one look at him, and you just knew that bulk was all muscle. He had big hands, too. Watching them, I started to squirm a little in my seat, remembering the time I had with each of them.

Emily looked a little embarrassed, but she started to take off her clothes, too. She'd worn a super-cute striped dress today and honestly rocked it. But now it was on the floor, and she was sitting on the couch, holding an arm over her chest, wearing nothing but a pair of lacy black panties that she'd bought specially for today.

I'd seen Emily naked before, but never like this. She was pale–paler than me, and I'm a redhead–and thin. Nothing like me–I'm way more active. I guess you could say I have an athletic body type. But Emily almost had a frail look to her, like she could be broken if she wasn't handled with care. Maybe that was why she fantasized so much about being fucked by multiple guys: she wanted to reject her fragility.

She pushed her panties slowly down and spread her legs, showing the guys her pink slit and the neatly-trimmed dark hair above it. I preferred to shave mine (it was just easier), but I had to admit that the way her tiny bush contrasted with her pale body looked nice. It seemed the guys thought so, too—their cocks were already hard.

I started to take off my clothes, too. I didn't want to be left out! Sure enough, the front of my panties was already soaked through.

"What are you doing?" Emily asked me.

"Thought maybe you'd feel more comfortable if I got undressed, too," I said. (Although the truth was that I was getting really horny.)

Emily's cheeks were red again. "Thanks," she said.

Still her shy self, Emily couldn't bring herself to look up at the guys (at first), so instead, she focused on the cocks as Brandon and Nick

moved to stand in front of her. She took each guy's cock in either hand and slowly stroked, then she leaned forward, opened her mouth, and started to suck on Brandon's cock. It was thick, and I rubbed my pussy through my panties as I remembered

the way his cock had spread me open inside. Now that same cock was inside my best friend's mouth.

She sucked on Brandon's cock for a while before switching to Nick's. Like the rest of him, Nick's cock was tanned, and he was a little longer than Brandon but not as thick. I remembered how I had to ride Nick while facing him just so I could fit the whole thing inside me without hurting. I got even wetter as I watched Emily suck the same cock that I had ridden only a couple weeks ago, and I slid my hand down into my panties, running my fingers along either side of my pussy.

I must have let out a moan because I noticed Emily looking my way before she concentrated on the cocks again, jacking Brandon off while bobbing her head up and down on Nick's cock. Both guys were saying something to Emily-they were so quiet, I couldn't hear them-but she must have really liked it. She picked up the pace, closing her eyes as Nick started to fuck her mouth. Then she swapped with Brandon and let him pump his hips into her face for a while, his thick cock sliding past her lips with ease.

Despite how shy she was earlier,

Emily was surprisingly eager to suck their cocks, taking them deep into her throat. I wondered if she'd been practicing on one of her dildos.

I reached for one of my tits and started to squeeze it, my other hand still playing with my pussy. I finally slid my panties off and leaned back on the couch, spreading my legs wide so the others could watch. The guys never took their eyes off Emily, though—they were loving the way she treated their cocks with her mouth, sometimes pulling back so she could tease the head with her tongue. But I noticed that Emily would glance at me every so often. I think it turned her on that we were watching each other—and, to be honest, it turned me on, too.

Emily pulled her mouth off their cocks and finally peeked up at the guys. She had started to breathe a little harder, and she looked hungry. "I can't wait anymore," she said. "I want to be fucked." Glancing between the two of them, still stroking their cocks, she looked at Brandon and said, "I want you to fuck me." She gave Nick a tiny smile and said, "I'll suck you off while he does that."

Nick laid back on the couch beside

Emily, and she turned to him, getting on her hands and knees. Her dark, wavy hair fell down around her face when she leaned over to take his cock into her mouth, and he brushed it back for her, holding her head in his hands and letting out a moan.

Brandon kneeled down behind Emily and slid the tip of his cock up and down between her pussy lips. Then he pushed it inside her, his big hands holding her ass firmly. I could hear a muffled moan from Emily as she sucked Nick's cock, as Brandon thrust his inside her.

I didn't feel jealous anymore–just horny. I dug my fingers into my pussy and heard the wet noise they made as they thrust in and out. I silently wished I'd remembered to bring a dildo or vibrator with me–anything to help me get off. I was desperate. Watching Emily get fucked by two guys at the same time was insane.

Brandon pushed himself all the way into Emily, and his hips started to slap against her ass as he fucked her.

Elle loves putting on pussy shows for guys like you.

Elle is a cute Asian from the Bay area. She likes to do creative projects and yoga (which she later demonstrates). She started off camming before making her way to our studio. "I love having sex in front of the camera. I like it when people watch me masturbate or have sex with someone." Elle considers herself both an exhibitionist and voyeur. She's come to the right place.

NIGHT AUDITION

Continued from page 63

The sound echoed off the walls. Emily moaned again around Nick, and I heard her gasp and laugh before she lowered her head again onto the waiting cock, deep-throating it like a champ. I was shocked that she could do that (maybe she really had been practicing) and proud of her for taking those cocks. For someone I thought was inexperienced, she really knew what she was doing. Of course she did: she'd been thinking forever about doing something like this.

Nick leaned his head back, his hand running through Emily's dark hair, and he closed his eyes and groaned. I knew he was getting close. I was getting close, too—I was tugging hard at one of my nipples and rubbing my clit, stroking around it up and down.

Then, Brandon, who had been pounding away at Emily—she looked so tiny compared to him!—made a sound, this almost animal-sounding grunt, and said, "Fuck! Gonna cum!"

Emily whipped her head back from Nick's cock, stroking the wet schlong with her hand, and said, "It's okay. Cum inside me." She was so out of breath from being fucked by the guys that she could barely speak.

Nick moaned and thrust his hips against Emily's hand. "Let me cum on your face," he begged. Emily leaned her head down, still jerking him off, and ran her tongue under the head of his cock, waiting for him to do it.

I couldn't take it anymore. I came when I saw the completely slutty look on Emily's face. I think she looked at me, too, and I knew she was getting off on the show she put on. I shut my eyes and felt my whole body seize up and relax all at once, and I let out a long groan that came from my throat, a deep, whole-body orgasm that felt absolutely incredible. Judging from the wet spot on the couch afterwards, I think I even squirted a bit.

When I opened my eyes, Brandon was pumping his cum inside Emily, gripping her hard and pulling her back against him, like an animal in heat. Nick's cock was shooting his cum all over Emily's face, across her cheeks, her nose, and her lips. It was a huge, sticky load, and she welcomed it, milking his cock with her hand.

My clit was still sensitive after the

orgasm, so I played with my tits instead, squeezing them and pulling on my nipples while I watched Emily have her own climax, her back arching as she pulled away from Nick. She stopped breathing, her flat chest finally heaving, and her loud and deep moan surprised everyone, even me. (I'd never heard her make such a loud noise before!) Then she kind of just fell forward on the couch, shivering.

still cum on it from fucking Emily. I didn't even hesitate. Leaning forward, I grabbed his cock with one hand and slid it slowly between my lips, closing my eyes as I focused on sucking on him, as I breathed in the smell and taste.

So this is what Emily's pussy tastes like. The taste was like my own, except maybe a little bit more bitter. Or maybe that was just Brandon's

The guys both leaned down and petted her and told her she did good. It was a really sweet moment. They're good guys.

After Emily had caught her breath, she was still shaky, but she said, "I want more." She looked in my direction, and the guys finally noticed that I'd gotten off while watching them.

"Looks like we weren't the only ones enjoying ourselves," said Nick, and he shot me a grin.

Brandon joined in the teasing. "You gonna let Emily have all the fun?"

"I want to watch you have fun, too," said Emily. I was already starting to get horny again, and the guys were ready to go, too. She sent Brandon over to my couch, and she laid back on hers, spreading her legs and showing Nick her pussy.

"Call me a slut when you fuck me," Emily told him. "It's okay–I'm taking the word back."

I'd never heard her talk like that before, and it was amazing. She really was living out the fantasies she'd always had—and she looked so happy. I felt happy, too, knowing that my best friend was finally getting the attention she'd always deserved. But now I had something else to focus on.

"Want to clean me off?" asked Brandon, standing in front of me and showing me his hard cock. There was cum. Either way, it was delicious.

My head bobbed up and down his cock. To the side, on the other couch, I could see Nick's sculpted ass moving up and down as he fucked Emily—and she was loving it. She let out lots of soft moans, and her legs were firmly wrapped around him. He was leaning down close to her, holding her hair, whispering to her. I wished I could hear what he was saying.

I forced the head of Brandon's cock into my throat before I pulled back, looking up at him. "There—all clean," I said. "You know what I want? I want the same thing she got."

Then, without saying anything else, I stood up, leaned over the couch, spread my legs, and put my hands on the backrest, bracing myself. I stuck out my ass and wiggled it at him.

Did I mention Brandon is a pretty tall dude? He scooped me up with one big arm and brought me to him, pulling me off my feet and pushing his cock in my pussy all the way until my ass rubbed against him. I was already so wet that he just slid right in. He growled in that deep voice of his, and the way he put his big hands on me felt so right. He held me against him while he fucked me, grinding his hips against me, his cock stirring up my pussy. I could hear him

grunting each time I squeezed down on him.

Of course, I couldn't see Emily from this perspective anymore, but that was okay. I knew she could see me getting fucked, and from the noise she and Nick were making, I could tell that she was more than enjoying herself.

Brandon moved one of his hands between my thighs and brushed his calloused thumb over my clit as he fucked me, and I had an unexpected and sudden orgasm. I whined at the pain and pleasure, as he kept thrusting into me through the climax—moving even faster now—and soon he was cumming, too. I could feel his cock twitching, shooting out a load into my pussy. I could feel the warm cum spreading out inside me, and my muscles milked him.

Both of us slid down onto the couch, kissing and touching each other, and we watched as Nick took his turn filling up Emily while the two of them kissed.

Emily really was a mess by the time the night was over. But it had been a long time since I saw her look so satisfied. We sent the guys home and promised them we'd clean the place up in time for the next band practice.

"Hey," she said quietly after they left. Emily almost seemed shy again. "Thanks for this. I really needed it. I never thought it would happen."

I smiled and gave her a hug. "Of course," I said, laughing. "You did great. You should be proud of being true to your kinky self."

"Oh, I am," said Emily. "I was wondering something—would you want to help me clean off all this cum?"

I couldn't help but grin at her. "I don't remember reading that part."

"It was there," said Emily. "You just had to read between the lines."

Of course I helped her-she's my best friend.

A few weeks later, we'd gotten some good practice sessions in (as well as some really hot sex), and I noticed that Emily was working on a song we'd already been practicing for while. I asked her about it.

"Oh, I'm adding a new part to this," said Emily, and she smiled wickedly at me. "Know any bass players?"
